

VRCScore Terms of Service

Effective date: [date]

These Terms of Service govern your access to and use of VRCScore, including vrcscore.com and any related pages, features, accounts, rating systems, review tools, moderation tools, and services operated by VRCScore.

By accessing or using VRCScore, you agree to these Terms. If you do not agree, do not use the site.

1. What VRCScore Is

VRCScore is a community review and rating platform for VRChat-related profiles and interactions. The site allows users to search profiles, view ratings, submit ratings, submit reviews, and interact with user-generated content.

VRCScore is intended for good-faith community feedback. It is not intended to be a harassment tool, blacklist, doxxing database, retaliation platform, threat platform, or source of verified factual claims about any person.

VRCScore is not affiliated with, endorsed by, sponsored by, or officially connected to VRChat Inc. "VRChat" and related names may be trademarks of their respective owners.

1. Eligibility

You must be at least 13 years old to use VRCScore. If you are under the age of majority where you live, you may only use VRCScore with permission from a parent or legal guardian.

You may not use VRCScore if you are legally prohibited from using the service, if we previously banned you, or if you are using the service to evade moderation or enforcement.

1. Accounts and Logins

Some features may require an account or authenticated login. You are responsible for maintaining the security of your account and for all activity that occurs through it.

You agree not to create fake accounts, impersonate another person, use another person's account without permission, evade bans, manipulate ratings, or use automation, bots, scripts, or coordinated activity to distort scores or reviews.

1. User-Generated Content

VRCScore may allow users to submit reviews, ratings, comments, names, profile references, links, reports, and other content. This is "User Content."

You are solely responsible for the User Content you submit. By posting User Content, you represent that you have the right to post it and that it does not violate these Terms, violate the law, or violate another person's rights.

You understand that VRCScore does not verify every review, rating, claim, or statement before it appears. User Content reflects the views of the person who submitted it, not necessarily the views of VRCScore.

1. Content License

By submitting User Content to VRCScore, you grant VRCScore a non-exclusive, worldwide, royalty-free license to host, store, display, reproduce, distribute, modify for formatting or moderation purposes, and otherwise use that content in connection with operating, improving, protecting, and promoting the site.

You retain any rights you have in your own content, subject to the license above.

1. Prohibited Content and Conduct

You agree not to post, upload, submit, encourage, or assist with content or behavior that includes:

Harassment, bullying, targeted abuse, threats, stalking, intimidation, or encouragement of others to target a person.

Doxxing or private information, including real names, addresses, phone numbers, emails, workplace details, private social media accounts, private Discord IDs, private screenshots, private messages, or information that could identify or locate someone outside of VRChat.

False statements of fact, knowingly misleading claims, impersonation, fabricated reviews, manipulated ratings, or coordinated smear campaigns.

Sexual harassment, sexual exploitation, non-consensual sexual content, or sexualized content involving minors.

Hate, threats, or abuse directed at protected characteristics.

Spam, scams, malware, phishing, scraping, credential theft, or attempts to interfere with the site.

Content that infringes copyrights, trademarks, privacy rights, publicity rights, or other legal rights.

Content that violates VRChat's rules, applicable platform rules, or applicable law.

Content that encourages self-harm, violence, illegal activity, or real-world retaliation.

Reviews should be based on your own good-faith experience. Do not rate someone simply because you dislike them, heard rumors about them, were told to rate them, or want to damage their reputation.

1. No Malicious Use

You may not use VRCScore to organize harassment, create blacklists, punish social enemies, pressure people, threaten reputational harm, demand money or favors, expose private information, or encourage users to avoid, attack, mass-report, or retaliate against someone.

VRCScore may remove content or restrict accounts if we believe the site is being used maliciously, even if the content does not clearly violate one specific rule.

1. Moderation

VRCScore may, but is not required to, review, moderate, remove, hide, limit, label, edit for formatting, or refuse to display any User Content at any time.

VRCScore may suspend, restrict, or terminate accounts that violate these Terms, abuse the platform, create legal risk, evade moderation, manipulate scores, or act against the purpose of the site.

Moderation decisions may be imperfect. VRCScore does not promise that all harmful, false, offensive, or rule-breaking content will be removed immediately or at all.

1. Reporting Content

If you believe content on VRCScore is false, abusive, private, infringing, malicious, or otherwise violates these Terms, contact us at [\[contact email\]](#).

Your report should include the page URL, the content you are reporting, the reason for the report, and any relevant context. VRCScore may review reports and take action at its discretion.

Submitting a report does not guarantee removal.

1. Section 230 and Third-Party Content

VRCScore hosts user-generated content submitted by third parties. To the fullest extent allowed by applicable law, VRCScore is not responsible as the publisher or speaker of User Content provided by another user or third party.

VRCScore reserves the right to moderate content in good faith, including by removing or restricting content that VRCScore considers obscene, lewd, excessively violent, harassing, abusive, malicious, false, misleading, private, illegal, spammy, or otherwise objectionable.

Nothing in these Terms is intended to waive any protection, immunity, defense, or limitation of liability available under 47 U.S.C. § 230 or any other applicable law.

1. Intellectual Property

You may not post content that infringes another person's copyright, trademark, or other intellectual property rights.

If you believe content on VRCScore infringes your copyright, contact us at [\[copyright contact email\]](#) with enough information for us to identify the material and review your claim.

1. Privacy

Do not post private personal information about yourself or others. VRCScore may collect and process information needed to operate the site, including account information, login information, submitted content, moderation data, technical logs, and usage data.

A separate Privacy Policy may explain what information is collected, how it is used, and how users can contact VRCScore about privacy concerns.

1. Scores and Reviews Are Not Verified Facts

Scores, reviews, ratings, and comments on VRCScore are community-submitted opinions and reports. They may be inaccurate, incomplete, outdated, biased, unfair, sarcastic, exaggerated, or false.

You should not rely on VRCScore as your only source of information about any person, group, creator, performer, community, or VRChat user.

1. No Warranty

VRCScore is provided "as is" and "as available." VRCScore makes no warranties that the site will be accurate, reliable, uninterrupted, secure, error-free, or free of harmful content.

VRCScore does not guarantee that any score, rating, review, profile, moderation decision, or search result is accurate, complete, current, or suitable for any purpose.

1. Limitation of Liability

To the fullest extent allowed by law, VRCScore and its owners, operators, developers, moderators, affiliates, and service providers will not be liable for indirect, incidental, consequential, special, punitive, or exemplary damages, including damages related to reputation, emotional distress, lost opportunities, lost data, lost profits, account issues, user disputes, or reliance on User Content.

1. User Responsibility and Indemnity

You agree that you are responsible for your use of VRCScore and for the content you submit.

To the fullest extent allowed by law, you agree to defend, indemnify, and hold harmless VRCScore and its owners, operators, developers, moderators, affiliates, and service providers from claims, demands, damages, losses, liabilities, costs, and expenses arising from your use of the site, your User Content, your violation of these Terms, your violation of law, or your violation of another person's rights.

1. Termination

VRCScore may suspend, restrict, or terminate your access to the site at any time if we believe you violated these Terms, created risk for the site or other users, abused the platform, or used the site maliciously.

You may stop using VRCScore at any time.

1. Changes to These Terms

VRCScore may update these Terms from time to time. The updated version will be posted on the site with a new effective date. Continued use of VRCScore after changes means you accept the updated Terms.

1. Governing Law

These Terms are governed by the laws of [state], without regard to conflict-of-law rules, unless applicable law requires otherwise.
